

Pease Restoration Advisory Board Membership Application

Former Pease Air Force Base, Portsmouth, NH

What is the Pease Restoration Advisory Board (RAB)?

The Pease RAB is a forum that provides the community with the opportunity to become involved in the environmental restoration process at the former Pease Air Force base in Portsmouth, NH, either as a member or through attendance at RAB meetings. The RAB provides opportunities for community members to share their questions, concerns, and ideas with the agencies involved in the cleanup and to influence project decisions through discussion with decision makers.

The Pease RAB website has summaries of past meetings and presentations:

More on RAB member expectations can be found in section 2.2 of the Pease RAB Operating Procedures, which will be posted on the project website soon.
